What are the main specifics and main flows of funds for financing of programmes?

- the SEF CZ budget **is not the State budget**
(revenues consist mainly of payments for pollution or damage to the environment and related repayments of loans and their interest)
- the Minister of Environment decides on the resources of the SEF CZ
- the Ministry of Environment **is not the only partner** for programme administration
- Programmes administrated by the SEF CZ, are:
 - financed directly from the SEF CZ budget
 - co-financed from the SEF CZ budget
 - pre-financed from the SEF CZ budget and than refunded
 - only administrated
