“European Union for Environment” stakeholders meeting on Resource Efficient and Cleaner Production (RECP) in the Republic of Moldova

Agenda

Date: 12 May 2021
Time: 10.00-12.00 EET

Format: web-based video conference

Platform: Zoom

Language: Romanian and English (with simultaneous interpretation)

Action implemented by:

Meeting objectives

- Taking stock of the progress on resource efficiency and cleaner production (RECP) as a follow up on the support provided by the European Union in 2014-2017;
- Planning activities related to the Circular Economy Component of the “European Union for Environment” Action in Moldova;
- Exploring new opportunities related to Circular Economy in Moldova.

Participants

The event will bring together the members of the RECP stakeholders’ group and representatives of relevant authorities, including the Ministry of Economy and Infrastructure and the Ministry of Agriculture, Regional Development and Environment. The representatives of the EU Delegation and UNIDO, as well as Action staff and experts will also take part in the event.

Individual invitation letters to the event will be sent to the stakeholder group members.

Practical Information

The event will be held virtually on 12 May 2021 from 10:00 to 12:00 Eastern European Time (EET).

About EU4Environment

The “European Union for Environment” (**EU4Environment**) aims to help the six partner countries: Armenia, Azerbaijan, Belarus, Georgia, Republic of Moldova, Ukraine preserve their natural capital and increase people’s environmental well-being, by supporting environment-related action, demonstrating and unlocking opportunities for greener growth, and setting mechanisms to better manage environmental risks and impacts.

The Action is funded by the European Union and implemented by five Partner organisations: OECD, UNECE, UNEP, UNIDO and the World Bank based on a budget of some EUR 20 million.

The Action implementation period is 2019-2022.
