4. JI innovations

- More joint inspections (3->6)
- Easier, cheaper and less time consuming
- Subject focus based on 2018 needs assessment
- Experiment with brief cycle feedback loop inspectors to policy makers (waste sector, wi)
- Feedback questionnaire from visited company
- Learning opportunity enhanced by webinar after JI from inspection team

5. Wish list JI approach

- JI with semi-fixed team (like in IRI)
- JI program in sync with bref process (implementation and feedback)
- JI includes comparison of enforcement approaches (afterwards)
- JI as on the job training facility
- Non routine (not planned) JI
