Feedback from the country

1. What are the main achievements on environment/greening economy in your country since September 2021, which you are most proud of?
2. What is your assessment of progress in the implementation of the EU4Environment in your country and of selected achievement(s), presented by the Implementing Partner(s)?
3. What should be the priority areas of activities for the remaining period of the Programme (the rest of 2022 and 2023)?
