Background information:

The EU4Environment Action aims to help the EU's Eastern Partnership countries preserve their natural capital and increase people's environmental well-being by supporting environment-related action, demonstrating and unlocking opportunities for greener growth, and setting mechanisms to better manage environmental risks and impacts. It is implemented by five partner organizations: OECD, UNECE, UNEP, UNIDO, and the World Bank over the 2019-2024 period, with a budget of EUR 20 million.
