About EU4Environment

Since 2018, the “European Union for Environment” (EU4Environment) Action has helped the Eastern Partnership countries preserve their natural capital and increase people's environmental well-being, by supporting environment-related action, demonstrating and unlocking opportunities for greener growth, and setting mechanisms to better manage environmental risks and impacts.

The programme was funded by the European Union and principally implemented over the 2019-2024 period by OECD, UNECE, UNEP, UNIDO and the World Bank. Over 2025-2026 period, the World Bank will finalise the implementation of programme's Result 4 area.
