Regional Meetings

Agenda

Date: 8 June 2026, 09:00 – 17:30 (CEST)

**Ecosystem services and livelihoods in the Eastern Partnership countries:
From project results to future action**

**Venue: Meeting room «Germany»
Thon Hotel EU, 75 rue de la Loi, Brussels, Belgium**

Format: On-site with online connection

**Languages: English with interpretation in
Armenian, Romanian, and Ukrainian**

Background

The final regional meeting is organised within the EU4Environment Programme, under Result 4, “*Advancing ecosystem services and livelihoods in the Eastern Partnership (EaP) countries*”, implemented by the World Bank. Within this framework, the World Bank provided technical support to partner countries in several areas: advancing the expansion of the Emerald Network; strengthening sustainable forest management and reducing illegal logging; fostering community engagement in nature conservation; and raising awareness of emerging green finance instruments that support sustainable forest management and the provision of ecosystem services.

The meeting aims to:

- Review achievements under the Ecosystem Services and Livelihoods workstream, implemented by the World Bank
- Demonstrate national ownership of results and their integration into policies, institutions, and practices.
- Reflect on opportunities for sustaining and scaling up results beyond EU4Environment.

The final regional meeting will be followed on Day 2 (9 June 2026) by the regional workshop “[Advancing nature-positive investments: Progress and challenges ahead in the EU’s Eastern Neighbourhood](#)”, organised as part of the EU Green Week campaign. The workshop will explore how Eastern Partnership countries can scale up investments in forests and other priority ecosystems and advance nature-positive development pathways. It will also present relevant financing instruments and highlight key country insights:

Organisers

The meeting is organised by the World Bank.

Participants

The meeting will bring together government officials from ministries responsible for environment and other relevant government agencies, representatives of EU institutions, the World Bank, academia, consultants, NGOs, civil society, and other relevant stakeholders from partner countries.

Venue

Meeting room “Germany”, Thon Hotel EU, 75 rue de la Loi, Brussels, Belgium.

Practical arrangements

The meeting will be held in person and via ZOOM. Participants are asked to register for the events in advance via the links: <https://avp-be.zoom.us/meeting/register/LOTkcD8WTu--i0BWtCjblA>.

The meeting will be conducted in English and translated simultaneously into Armenian, Romanian, and Ukrainian languages.

About EU4Environment

Since 2018, the European Union for Environment (EU4Environment) Programme has helped Eastern Partnership countries turn environmental priorities into practical results—protecting natural capital, improving environmental well-being, and opening opportunities for greener growth. It has also helped strengthen policies and tools to prevent and manage environmental risks and impacts.

Funded by the European Union, the programme was delivered mainly in 2019–2024 by OECD, UNECE, UNEP, UNIDO and the World Bank. In 2025–2026, the World Bank is completing the Ecosystem Services and Livelihoods workstream (the area where it provided support).
